

CERTIFICATE OF COMPLETION

REVIVE! 101

Sahana Krishnaraj

This certificate is awarded for the successful completion of the REVIVE! module, focused on educating healthcare workers and community partners about the risks associated with opioid use and the critical role of naloxone in overdose situations. The module covers key requirements for dispensing naloxone and provides essential guidance for individuals who administer naloxone, ensuring they are well-prepared to respond effectively in the event of an opioid overdose.
